Acceptable Use Policy for Technology

Dear Parents/ Carers,

Please encourage your child/children to adopt safe use of the internet and their devices at home.

Throughout the year your child/children will receive, online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

The school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and IT systems. The school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

The school ICT systems has the capacity to monitor all users and that the school will contact families if they have concerns about any possible breaches of the Acceptable Use Agreement.

If you have any concerns over your child/children's online safety experience do not hesitate to contact school for advice.

Thank you for your continued support.

Mrs Curley
