

Sports Premium 2024-25

What the PE and sport premium is for

You should use the PE and sport premium funding to:

- support all children and young people to live healthy, active lives
- make participation in PE and school sport easier
- make sure all children can achieve and thrive through increased physical activity and sport, no matter their background or ability
- improve children's health, wellbeing, personal development and academic attainment
- embed the foundations of positive and enjoyable participation in regular physical activity.

[The UK Chief Medical Officers recommend:](#)

- children and young people should take part in moderate to vigorous intensity physical activity for at least 60 minutes every day
- disabled children and young people should take part in 20 minutes of physical activity per day

You should aim to provide:

- high-quality PE and sport for at least 2 hours a week
- a wide range of extracurricular sport and competitive opportunities

You must not use this funding for activities within the core curriculum.

You get PE and sport premium funding based on the number of pupils you have in years 1 to 6. If you do not have set year groups (for example, in some special schools), pupils aged 5 to 10 attract the funding.

We use data from the January 2025 school census to calculate funding for most schools.

For the year 2025 to 2026:

- schools with 16 or fewer eligible pupils will get £1,000 per pupil
- schools with 17 or more eligible pupils will get £16,000 and an additional payment of £10 per pupil

Leverhulme Spend 2024 - 2025

Staff Training (external)	£5,989
Staff Training (online)	£399
Swimming	£2,400
Equipment & resources	£2875
Total Spend	£11,663
